## **FUNdraiser in support of: Contractors for Kids!!!**

Contractors for Kids is a non for profit founded for the purpose of providing financial assistance to families in our communities across our communities on Long Island.

Our goal for is to assist children and their families overcome obstacles that have unfortunately impacted their lives. Troubling times such as a child's sickness, injury or death can dramatically effect the family dynamic.

From familes having to take time off work, to quitting there jobs, there are many reasons to fall into financial crisis. We provide a safety net for those families who have fallen into crisis, by paying for medical needs, home bills, and even funeral costs.

Through our dedicated close knit group of volunteers, we strive to assist every family on Long Island in need. We are committed to this foundation and want to give hope and assistance to every family in need, we will be there. Will you?
